Seeking and Sharing

In the Fall of A.D. 2014 seven sermons, a series on the Church, were preached at New Life. Today's message is a "digestive review" of that series, aimed at preparing you for the change that is upon us.

Your soon to be former pastor's hope is that each member of the New Life congregation will SEEK a new church home and meaningfully SHARE in its congregational life equipped with a Biblical understanding of what the Church is and of God's purpose for it.

Following are the titles and texts of the seven previous sermons. Applying their main points is the goal today. The A.D. 2014 dates the messages were preached are also given. They are posted online.
